### President's Report

As I am shortly seeking a southern clime, the President's duties until my return will be handled by Bob Lucas. Welcome to you Bob! The executive is rumored to be calling my demise as "draining the swamp"!

And now that we mention the executive, two of the members will be completing their 2-year term, Margaret Hubbard and Don Shatilla, we all owe them a thank you for their service... Thanks Margaret and Don.

So what has been accomplished in 2017? Of note is our new carpet, which greatly enhances the club's appearance. We again ran an Open House to bump up our present membership. It was a struggle, but we did accomplish some success. As our membership ages, we are always fighting for increasing membership and can expect this battle to continue in the years to come. New ideas are always welcomed, and we will soon be looking for volunteers to head up next years educational staffing.

Great news was both Peter Galesloot our manager, and Joyce Wilson our treasurer have acquiesced to the pressure of pleas and agreed to another year of service. Thankfully, we move into 2018 with these two on board.

Lastly, I will mention that we host a Regional tournament every 4 year and 2017 was our year. We made some money!! About \$5000 was our profit from the regional and I expect our accountant will be happy with that.

I will return end March... Until then, look after Bob folks!

Andy Anderson  
President
