January Club News

Message from the President

On behalf of the new executive, we hope you enjoy time with your families this festive season.

We begin the year with some new faces in the new executive having added Peter Gerard and Bob Lucas and myself. But going out, we lose Chris Sarich, Jim Spinney, and Cydney Hayes all having served their roles exceptionally well on the executive over the past years.

The club owes them a very grateful thanks for their service. On that note we also have to thank Peter Galesloot for his service as club manager as we seek to replace him in that role. A great manager who served us well for two years.

Looking to 2017, we have a club that has been paid for...quite an accomplishment for an ACBL club as few other clubs in North America have accomplished this!

Happy New Year to you all

Andy Anderson
President
