#### Message form the President

Welcome back to our members and Happy Spring to all!!

Our Penguin/Snowbird event successfully kicked off the spring/summer planning for our club. It is an exciting time of change, with new programs being developed to encourage membership and promote the SBC in the community.

Our teaching program will be re- vamped for introduction in September. If anyone is interested in contacting schools for teaching after-school bridge classes please let us know - this is an untapped resource worth investigating.

May 28th is our Trophy night and Volunteer Appreciation event. Please plan to attend . Due to My grand-daughter's birthday, in Calgary, I will be absent.

So..... let me take this opportunity to THANK ALL VOLUNTEERS for their enthusiasm, time and effort donated to our club - to make it the success it is!!

CHEERS!!

Cydney Hayes

## **MENTORSHIP PROGRAM UPDATE**

Through our program since last fall, we have registered 45 pairs. We have been pleased with this outcome and thank everyone for their participation. The number of players in some games have improved especially on Thursday afternoon.

At this time, we would ask you to notify me of the following: if your partnership has been discontinued; if you would like a mentor; or if you would like to be a mentor. If I do not hear from you I will assume that your partnership is continuing. Please email me at [pjdickson@shaw.ca](mailto:pjdickson@shaw.ca) or call me at 3740318.

I want to acknowledge my partner in this endeavour, Pegie Lyell , for her leadership while I was being a snowbird!
